

Parade Participant for Ki-chi-saga Days 2024!

Welcome, this is our 2024 Ki Chi Saga Days Parade! If you are receiving this letter, you must have participated in previous parades, thank you so much for participating. We would really like to go with **email mailings this year to save on both paper and stamp costs**, so please fill out that information as well.

- ***The week prior to the parade you will be receiving an email from us***, you must open the email to receive the lineup number and letter. In the **EMAIL** there will be a map, so you have some idea of your location.
- if you are a ***participant that is paid for your services*** and have not booked with me or spoke to us before this event you will not be paid if you just show up on that day-there must be prior communication.
- There will be signs indicating where the numbers begin and end along the route, either look for signage or for a parade director if you need assistance.
- This will be our 57<sup>th</sup> year celebrating Chisago City's Ki Chi Saga Days. After the parade, JONAH AND THE WHALES a great band will be playing in Moberg Park so come back and enjoy some music and give our food and craft vendors a couple more hours of business and of course watch the pie eating contest.
- Be respectful and remember that this is primarily for children's entertainment. **No alcohol** is allowed.
- The parade route is approximately 1.5 miles, and although doesn't sound long-it always seems long and HOT-so please bring beverages for your walkers,
- (Children and elderly are especially susceptible).

We'd like to thank you so much for participating in the past parades, and if you are a new participant, we welcome you and look forward to working with you this is a really fun event and without your participation-well, it just wouldn't be!

Thank you,

Michelle Anderson
