This layout includes seating 10 per table, the tables are 72" in diameter.

There are also 4 square 40" high bar tables available and 8-8" banquet tables available.

Stages are available for use and are kept in the storage area to the right.

We have several various sized tables in the storage area that you may use as long as all are put back when you clean up.

Have a great event!

This area outside is where caterers can bring items into the kitchen, it is also an area for handicap parking.

There are a total of 6 doors that you will need to make sure are locked when leaving the hall, they are highlighted.
